

October 12-13, 2020

IV-TH INTERNATIONAL CONGRESS ON INFUSION THERAPY

ONLINE

PROGRAM

IV МІЖНАРОДНИЙ КОНГРЕС
З ІНФУЗІЙНОЇ ТЕРАПІЇ
12.10.20 - 13.10.20 КИЇВ

October 12-13, 2020

IV-TH INTERNATIONAL CONGRESS ON INFUSION THERAPY

ONLINE

ORGANIZING COMMITTEE OF THE IV-thINTERNATIONAL CONGRESS ON INFUSION THERAPY

Co-chair of the Congress:

The President of the National Academy of Medical Sciences of Ukraine, member of the NAMS of Ukraine,
Professor, MD, PhD, VitaliyTymbaliuk

The Director of the Institute of Blood Pathology and Transfusion Medicine of the NAMS of Ukraine, Professor,
MD, PhD, Vasyl Novak

Coordinator of Organizing Committee: Bohdan Kondratsky

Members of the Organizing Committee:

F.S. Hlumcher, O.A. Halushko, Ye.V. Hryzhymalskyi, Yu.V. Davydova, S.O. Dubrov, S.I. Zhuk,
Yu.Yu. Kobeliatskyi, O.M. Kovalenko, O.O. Kovaliov, O.V. Kuriata, I.I. Lisnyi, O.A. Loskutov, V.Y. Mamchur,
V.I. Medvid, L.A. Mishchenko, L.V. Moroz, S.P. Moskovko, O.M. Nesterenko, V.Z. Netiazhenko,
T.O. Pertseva, R.O. Tkachenko, M.A. Treshchynska, Ya.P. Feleshtynskyi, Yu.I. Feshchenko,
T.I. Chernyshenko, V.I. Cherniy

The Congress will be held: Online.

The Congress Organizing Committee address:

Ukraine, 79044, Lviv, 45 General Chuprynka Street

The Institute of Blood Pathology and Transfusion Medicine of the NAMS of Ukraine.

Hotline phone: **0800-400-405**

(Toll-free from landline and cell phone in Ukraine).

Congress website: <http://www.infusiontherapy.org>

Working languages – Ukrainian, Russian&English.

The Congress will start on October 12, 2020 at 09:30.

The participants are welcome to check-in on the Congress website

<http://www.infusiontherapy.org>

12 October, 2020

Section for Pulmonologists.....	1-2
Section for Oncology Specialists.....	3-4
Section for Anesthesiologists and Intensivists.....	5-6
Section for Surgical Specialties.....	7-8
Section of Clinical Transfusion Medicine.....	9
Section for Obstetrician-Gynecologists.....	10-11
Section for General Medicine Specialists.....	12-13
Section for Nurses.....	14-15

13 October, 2020

Section for Phthisiologists.....	16
Section for Anesthesiologists and Intensivists.....	17-18
Section for Surgical Specialties.....	19-20
Section for Obstetrician-Gynecologists.....	21-22
Section for General Medicine Specialists.....	23-24
Section for Nurses.....	25

SECTION FOR PULMONOLOGISTS

October 12, 2020

09:30-10:00 Formal opening of the Congress

Topical Unit 1

TOPICAL ISSUES RELATED TO INSUFFICIENT CONTROL OF ASTHMA AND COPD. MODERN OPPORTUNITIES IMPROVING THE RESULTS OF BASELINE TREATMENT IN RELATION TO UNIQUE DELIVERY DEVICE AND HIGH PATIENT COMPLIANCE

Moderator - **Yuriy Feshchenko (Kyiv)**

Professor, MD, PhD, member of NAMS of Ukraine, Director of the National Institute of Phthisiology and Pulmonology named after F.G. Yanovskyi NAMS of Ukraine

10:00-10:30	Modern view of asthma. Focus on GINA 2020 recommendations Tetiana Pertseva (Dnipro) <i>Professor, MD, PhD, corresponding member of NAMS of Ukraine, Dnipropetrovsk Medical Academy of the Ministry of Health of Ukraine</i>
10:30-11:00	DO NOT FEAR RESISTANCE Federico Lavorini (Italy) <i>Prof., MD, PhD, Dept. Experimental And Clinical Medicine, University Of Florence, Italy</i>
11:00-11:30	Switching inhaler—real-world evidence on EASYHALER® Gabriella Galffy (Hungary) <i>Prof., MD, Pulmonary Hospital Törökbálint, Hungary</i>
11:30-12:00	Asthma control. Is it completely dependent on active substance? Kateryna Hashynova (Dnipro) <i>Professor, MD, PhD, Head of Occupational Diseases and Clinical Immunology Department, Dnipropetrovsk Medical Academy of the Ministry of Health of Ukraine</i>

Topical Unit 2

NEBULIZER THERAPY AS AN EXCLUSIVE ACCESS TO THE TARGET AFFECTED ORGAN IN CASE OF ACUTE BRONCHO-OBSTRUCTIVE DISEASES

Moderator - **Yuriy Feshchenko (Kyiv)**

Professor, MD, PhD, member of the NAMS of Ukraine, Director of the National Institute of Phthisiology and Pulmonology named after F.G. Yanovskyi of the NAMS of Ukraine

12:00-12:30	Asthma exacerbation: emergency management at a pre-hospital stage Yuriy Mostovoi (Vinnytsia) <i>Professor, MD, PhD, Head of Propaedeutics of Internal Diseases Department, M.I. Pyrohov Vinnytsia NMU</i>
12:30-13:00	Nebulizer therapy - special warnings and precautions for use during pandemic COVID-19 (from the perspective of global initiatives) Mykola Ostrovskiy (Ivano-Frankivsk) <i>Professor, MD, PhD, Head of Phthisiology and Pulmonology Department with a Course of Occupational Diseases, Ivano-Frankivsk NMU</i>
13:00 - 14:00 Lunch Break	

Topical Unit 3

PNEUMONIA IN THE CONTEXT OF PANDEMIC SARS-COV-2 (COVID-19). PROFESSIONAL OPINION REGARDING SURVEILLANCE OF PATIENTS WITH PNEUMONIA

Moderator - Prof. Tetiana Pertseva (Dnipro)

14:00-14:30	Infusion and antibacterial therapy for pneumonia in the context of pandemic COVID-19 Tetiana Pertseva (Dnipro) <i>Professor, MD, PhD, corresponding member of the NAMS of Ukraine, Dnipropetrovsk Medical Academy of the Ministry of Health of Ukraine</i>
14:30-15:00	Inpatient treatment of patients with community-acquired pneumonia in conformity with the governmental coordinating documents. Special aspects of patient surveillance in the context of coronaviral infection Tetiana Konstantynovych (Vinnytsia) <i>MD, PhD, Professor of the Propaedeutics of Internal Diseases Department, M.I. Pyrohov Vinnytsia NMU</i>
15:00-15:30	Community-acquired pneumonia of the comorbide patient. Clinical case study - diagnostics, surveillance and treatment Anna Demchuk (Vinnytsia) <i>MD, PhD, Professor of the Propaedeutics of Internal Diseases Department, M.I. Pyrohov Vinnytsia NMU</i>

Topical Unit 4

INHALATION THERAPY AS AN EXCLUSIVE ACCESS TO THE TARGET AFFECTED ORGAN IN CASE OF ASTHMA AND BRONCHO-OBSTRUCTIVE SYNDROME CAUSED BY ARVI AT AN EARLY AGE

Moderator - Yaroslav Dziublyk (Kyiv)

MD, PhD, Professor, Senior Researcher at the National Institute of Phthisiology and Pulmonology named after F.G. Yanovskyi of the NAMS of Ukraine

15:30-16:00	Guidelines for treatment of broncho-obstructive syndrome at an early age Oleksandr Katilov (Vinnytsia) <i>PhD, Associate Professor of the Propedeutics of Childhood Diseases Department of M.I. Pyrohov Vinnytsia NMU</i>
16:00-16:30	Partner's stream
16:30-17:00	Nebulizer therapy – relevant issues Olena Rechkina (Kyiv) <i>MD, PhD, Head of the Pediatric Pneumology and Allergiology of the National Institute of Phthisiology and Pulmonology named after F.G. Yanovskyi of the NAMS of Ukraine</i>
17:00-17:30	Management approaches to treatment of children with ARI against the background of positive history of allergies: reality from the point of view of allergologist Gulnara Dzhambekova (Uzbekistan) <i>MD, PhD, Deputy Chief R&D Officer of the International Center for Molecular Allergology, Republic of Uzbekistan</i>
17:30-18:00	Treatment of patient with tussis: why does the pediatrician choose medicines with facilitatory effect? Natalia Sinchuk (Vinnytsia) <i>PhD, Associate Professor of the Pediatrics Department №2 of M.I. Pyrohov Vinnytsia NMU</i>

SECTION FOR ONCOLOGY SPECIALISTS

October 12, 2020

9:30 - 10:00 Formal opening of the Congress

Topical Unit 1

PERSONALIZED CHEMOTHERAPY. FROM THE LATEST TREND TO COMMON PRACTICE

10:00 - 10:30	Oncology at the beginning of the XXI century: details of personalized treatment of cancer Oleksiy Kovaliov (Zaporizhzhia) <i>Professor, MD, PhD, Head of Oncology Department of Zaporizhzhya MAPE, Oncology Expert at the MoH of Ukraine</i>
10:30 - 11:15	Presentation of the European Society of Oncology Pharmacy (ESOP). Need to implement standards in modern oncology / oncology pharmacy (QUAPOS) Klaus Meier (Germany) <i>Prof., MD, PhD., Professor Institute for Applied Healthcare Sciences (IFAHS) Hamburg, President ESOP</i>
11:15 - 12:00	Risks related to working with cytostatic drugs Ahmet Sami Bosnak (Cyprus) <i>PharmD, PhD, Eastern Mediterranean University, Vice-president ESOP</i>
12:00 - 12:30	Mistakes made by medical staff during antitumor infusion therapy: is it possible to avoid them? Oleksiy Zotov (Kyiv) <i>PhD, Associate Professor of the Oncology Department of O.O. Bohomolets NMU</i>
12:30 - 13:00	The period of onco drugs stability: cytostatic drugs and MABs Alain Astier (France) <i>Professor, PharmD, PhD, University of Paris-Saclay, Co-president ESOP</i>
13:00 - 14:00	Lunch Break
14:00 - 14:30	The development trends of extemporaneous compounding in Ukraine. The ways of practical application by specialist Viktoriya Heorhiyants (Kharkiv) <i>Professor, PharmD, PhD, Head of the Pharmaceutical Chemistry Department of the National University of Pharmacy of the MoH of Ukraine</i>

Topical Unit 2

ONCOLOGICAL PATIENT ACCOMPANYING THERAPY

14:30-15:15	Infusion therapy for oncological patient: pros and cons Yuriy Kobeliatskyi (Dnipro) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Therapy Department of the Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
15:15-16:00	Problems related to hematological toxicity during blood cancer treatment Iryna Kriachok (Kyiv) <i>Professor, MD, PhD, Head of Research Department for Hemoblastosis Chemotherapy of the National Cancer Institute</i>
16:00-16:30	Personalized oncology as a global shared sense of purpose for clinical practice, unified protocols and modern technologies aimed at victory over neoplastic processes Olha Herasymenko (Kyiv) <i>Clinical Oncologist, Chemotherapist, Feofaniya Clinical Hospital</i>

Topical Unit 3
PARTNER'S UNIT

16:30-16:50	Golden standards of CT diagnostics of oncological diseases Roman Tytorenko (Kyiv) <i>Chief Medical Officer of MEDISKAN GROUP Diagnostics Center</i>
16:50-17:10	Chemoradiotherapy in locally advanced oropharyngeal cancer Nataliya Seriohina (Kropyvnytskyi) <i>Head of Radiation Therapy Department of TomoClinic Cancer Center</i>

Topical Unit 4
ELECTRONIC SYSTEM EHEALTH, FROM THEORY TO PRACTICE

17:10-18:00	eHealth as a common information space for doctors and patients Vasyl Vasyliiev (Kyiv) <i>Director General of LLC Datum Corp.</i>
-------------	---

SECTION FOR ANESTHESIOLOGISTS AND INTENSIVISTS

October 12, 2020

9:30 - 10:00 Formal opening of the Congress

Topical Unit 1

ASSISTANCE TO CARDIOVASCULAR SYSTEM DISORDERS

10:00 - 10:30	High-risk patients during perioperative period. Review of modern recommendations Yuriy Kobeliatskyi (Dnipro) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of the Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
10:30 - 11:00	Rescue emergency care in case of life-threatening arrhythmia Oleh Loskutov (Kyiv) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
11:00 - 11:30	Rescue emergency care in case of hypertensive crisis. How to save the patient? Review of modern recommendations Oleksiy Domoratskyi (Kyiv) <i>PhD, Associate Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>

Topical Unit 2

PAIN MANAGEMENT

11:30-12:00	Perioperative pain management Ivan Lisnyi (Kyiv) <i>MD, PhD, Head of Anesthesiology and Intensive Care Research Department of the National Cancer Institute, the President of the Ukrainian ERAS Association</i>
12:00 - 13:00	Enhanced postoperative recovery – good from afar, but far from good? Henrik Kehlet (Denmark) <i>Prof., MD, PhD., Section for Surgical Pathophysiology, Rigshospitalet, Copenhagen, Denmark</i>
13:00-14:00	Lunch Break

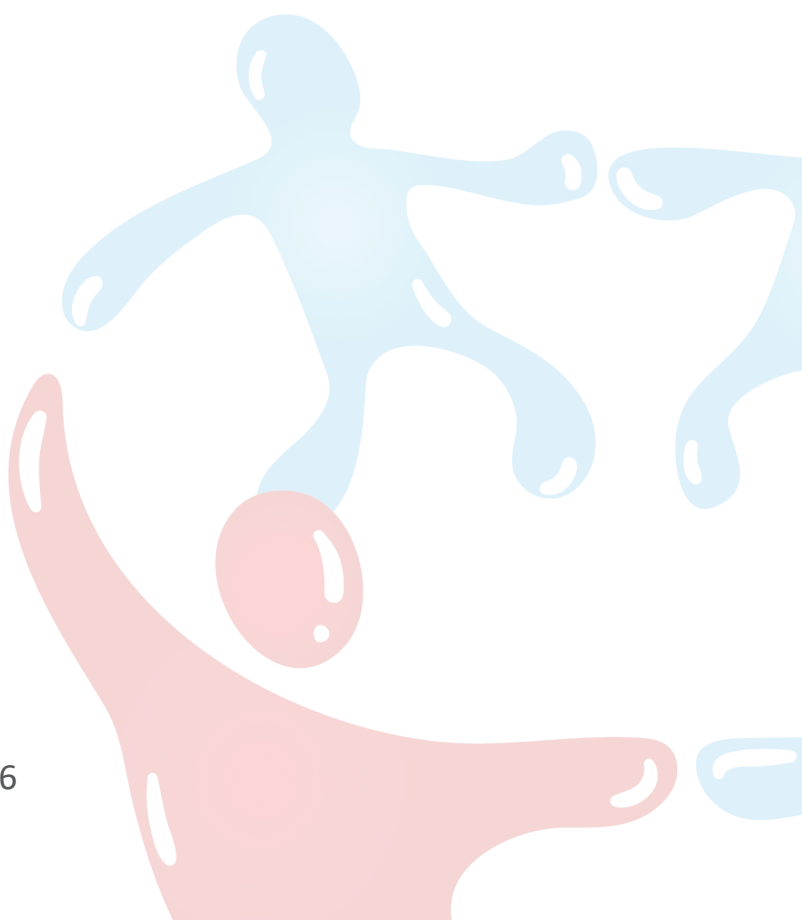

Topical Unit 3

SEDATION

14:00-14:30	Dexmedetomidine in modern anesthesiology and intensive therapy Serhiy Dubrov (Kyiv) <i>Professor, MD, PhD, Professor of Anesthesiology and Intensive Care Department of O.O. Bohomolets NMU, the President of the Association of Anesthesiologists of Ukraine</i>
14:30-15:00	Analgo-sedation within the conditions of intensive care unit Oleh Loskutov (Kyiv) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
15:00-15:30	The procedural sedation, is it patient's whim or need? Oleksiy Domoratskyi (Kyiv) <i>PhD, Associate Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
15:30-16:00	Sedation of children within the conditions of intensive care unit. What's new? Dmytro Dmytriiev (Vinnytsia) <i>MD, PhD, Professor of Anesthesiology and Critical Care Medicine Department of M.I. Pyrohov Vinnytsia NMU</i>
16:00-16:30	Partner's stream

Topical Unit 4
VENTILATORY CARE

16:30-17:30	<p>Modern strategies for adaptation to pulmonary support as a way to reduce self-inflicted lung injury (SILI)</p> <p>Maksym Pylypenko (Kyiv) <i>PhD, Associate Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i></p> <p>Olena Khomenko (Kyiv) <i>PhD, Assistance Lecturer of the Surgery, Anesthesiology and Intensive Care Department of Postgraduate Education at O.O. Bohomolets NMU</i></p>
-------------	---

SECTION FOR SURGICAL SPECIALTIES

October 12, 2020

9:30 - 10:00 Formal opening of the Congress

Topical Unit 1

INFUSION THERAPY IN SURGERY

10:00-10:15	Experience of working within open multicenter randomized controlled study «RheoSTAT» focused on efficiency and safety of «Rheosorbilact» drug used by patients with sepsis Viktor Kozhokaru (Moldova) <i>Professor, MD, PhD, Head of Anesthesiology and Resuscitation Department of the N. Testemitanu State University of Medicine and Pharmacy</i>
10:15-10:30	Experience of working within open multicenter randomized controlled study «RheoSTAT» focused on efficiency and safety of «Rheosorbilact» drug used by patients with peritonitis within Moldova Silvia Agop (Moldova) <i>Associate Professor of the Obstetrics and Gynecology Department, N. Testemitanu State University of Medicine and Pharmacy</i>
10:30 - 11:00	Infusion therapy during perioperative period Volodymyr Cherniy (Kyiv) <i>Professor, MD, PhD, corresponding member of the National Academy of Medical Sciences of Ukraine, Leading Researcher of Minimally Invasive Surgery Scientific Department, State Scientific Institution «Scientific and Applied Center of Preventive and Clinical Medicine» of Public Administration Department</i>
11:00 - 11:30	Evaluation of efficiency of «TRIO» drug therapy scheme for patients with chronic arterial insufficiency IIb–III Viktoria Petrushenko (Vinnytsia) <i>Professor, MD, PhD, Head of Endoscopic and Cardiovascular Surgery, M.I. Pyrohov Vinnytsia NMU</i>

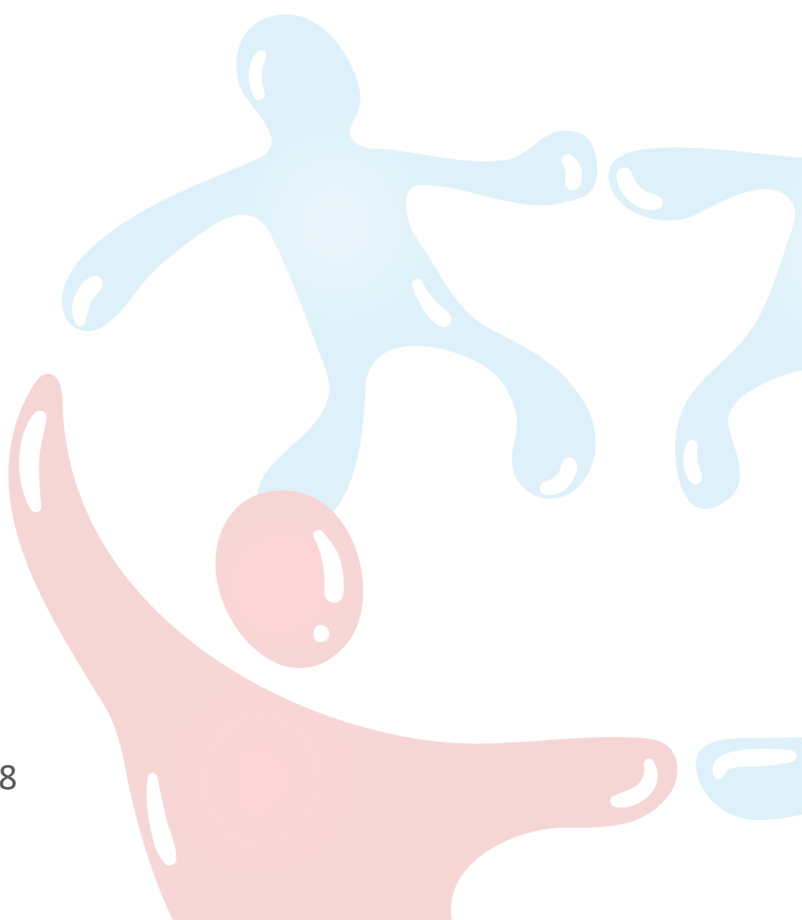

Topical Unit 2

PAIN MANAGEMENT

11:30-12:00	Perioperative pain management. Special aspects of pain management for patients of different branches of Surgery and Traumatology Yuriy Kobeliatskyi (Dnipro) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of the Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
12:00-13:00	Enhanced postoperative recovery – good from afar, but far from good? Henrik Kehlet (Denmark) <i>Prof., MD, PhD., Section for Surgical Pathophysiology Rigshospitalet, Copenhagen, Denmark</i>
13:00-14:00	Перерыв на обед

Topical Unit 3
HERNIOPLASTY

14:00-14:45	Optimization choice of laparoscopic and open alloplasty for postoperative ventral hernias Yaroslav Feleshtynskyi (Kyiv) <i>Professor, MD, PhD, Head of Surgery and Proctology Department of P.L. Shupyk NMAPE</i>
14:45-15:30	Special aspects of surgical treatment of large and huge constricted postoperative abdominal hernias Vitaliy Smishchuk (Kyiv) <i>PhD, Assistance Lecturer of the Surgery and Proctology Department of P.L. Shupyk NMAPE</i>
15:30-16:00	Complications of alloplasty of ventral hernias, treatment and prevention Yaroslav Feleshtynskyi (Kyiv) <i>Professor, MD, PhD, Head of Surgery and Proctology Department of P.L. Shupyk NMAPE</i>
16:00-16:30	Partner's stream
16:30-17:45	Panel discussion «Oral or intravenous medication delivery, which to choose? Expert opinions.» Moderator: S.A. Orlyk Reporters: Prof. V.Z. Netiazhenko, Prof.L.A. Mishchenko, Prof. O.A. Halushko, Prof. O.S. Chaban; Experts: Prof. V.Y. Mamchur, MD, PhD B.A. Kondratskyi

SECTION OF CLINICAL TRANSFUSION MEDICINE

October 12, 2020

9:30 - 10:00 Formal opening of the Congress

Topical Unit

INFUSION THERAPY

10:00 - 10:30	Infusion therapy: real clinical picture Lana Lurye (Kyiv) <i>PhD, Deputy Director of MDM Research Company</i>
10:30-11:30	Four D concept of fluid therapy Manu Malbrain (Belgium) <i>Prof., MD, PhD, Critical Care Medicine, Professor Faculty of Medicine and Pharmacy Vrije Universiteit Brussel (VUB)</i>
11:30-12:00	Artificial blood – Where are we now? Aamer Ahmed (United Kingdom) <i>Prof., MD, Glenfield Hospital, University Hospitals of Leicester, Department of Anaesthesia</i>
12:00 - 12:30	The place of hyperosmolar solutions in doctor's practice Yuriy Kobeliatskiy (Dnipro) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of the Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>

Topical Unit

CLINICAL TRANSFUSIOLOGY

12:30 - 13:00	National blood transfusion service: current state and prospects for development. Arrangement of transfusion service in health care institutions Oleksandr Serhiyenko (Kyiv) <i>PhD, Director of Kyiv Municipal Blood Center</i>
13:00 - 14:00	Lunch Break
14:00 - 14:45	Pathophysiology of coagulation during bleeding. Massive transfusion and the 1:1:1 approach: Pro-Con. Christian Fenger-Eriksen (Denmark) <i>Prof., MD, PhD, Department of Anaesthesiology Aarhus Universityhospital</i>
14:45 - 15:30	Monitoring of coagulation during bleeding (standard lab vs. point-of-care) Aamer Ahmed (United Kingdom) <i>Prof., MD, Glenfield Hospital, University Hospitals of Leicester, Department of Anaesthesia</i>
15:30 - 16:00	Safety and infection control of donated blood Vasyl Novak (Lviv) <i>Professor, MD, PhD, Director of the Institute of Blood Pathology and Transfusion Medicine of the NAMS of Ukraine</i>
16:00 - 16:30	Partner's stream
16:30 - 17:45	Panel discussion «Oral or intravenous medication delivery, which to choose? Expert opinions.» Moderator: S.A.Orlyk Reporters: Prof. V.Z. Netiazhenko, Prof. L.A. Mishchenko, Prof. O.A. Halushko, Prof. O.S. Chaban; Experts: Prof. V.Y. Mamchur, MD, PhD B.A. Kondratskyi

SECTION FOR OBSTETRICIAN-GYNECOLOGISTS

October 12, 2020

9:30 - 10:00 Formal opening of the Congress

Topical Unit 1

PREPARING FOR PREGNANCY AND CRITICAL CONDITIONS IN THE FIRST HALF OF PREGNANCY: FOCUS ON INFUSION THERAPY

Moderator - Prof. Yuliya Davydova (Kyiv)

10:00 - 10:30	Preconception preparing for pregnancy Yuliya Davydova (Kyiv) <i>Professor, MD, PhD, Head of Obstetrical Problems of Extragenital Pathology Department, O.M. Lukyanova Institute of Pediatrics, Obstetrics and Gynecology of the NAMS of Ukraine</i>
10:30-11:00	Biological role of nitrogen oxide donors in pre-conception care of women with luteal phase deficiency Valentyn Potapov (Dnipro) <i>Professor, MD, PhD, Head of Obstetrics and Gynecology Department, Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
11:00-11:30	Metabolic syndrome and its influence on course of pregnancy Svitlana Posokhova (Odesa) <i>Professor, MD, PhD, Deputy Chief Medical Officer in charge of Obstetrics and Gynecology, Odesa Regional Clinical Hospital</i>

Topical Unit 2

IRON SHIELD FOR REPRODUCTIVE HEALTH. THERAPEUTIC STRATEGIES IN CASE OF IRON DEFICIENCY CONDITIONS

Moderator - Prof. Svitlana Zhuk (Kyiv)

11:30 - 12:00	Treatment of anemia using parenteral iron preparations Christian Breymann (Switzerland) <i>Prof., MD, Ph.D., Head Perinatal and Gynecology Center Seefeld Zurich / Clinic Hirlanden</i>
12:00 - 12:30	Anemia in hospital settings. What was left out of sight? Svitlana Zhuk (Kyiv) <i>Professor, MD, PhD, Head of Obstetrics, Gynecology and Maternal-Fetal Medicine Department, P.L. Shupyk NMAPE</i>
12:30 - 13:00	L-arginine as medication Volodymyr Medvid (Kyiv) <i>Professor, MD, PhD, corresponding member of the NAMS of Ukraine, Head of Internal Pathology of Pregnant Women Department, O.M. Lukyanova Institute of Pediatrics, Obstetrics and Gynecology of the NAMS of Ukraine</i>
13:00 - 14:00	Lunch Break

Topical Unit 3

INFUSION THERAPY OF EXTRAGENITAL PATHOLOGY OF PREGNANT WOMEN

Moderator - Prof. Volodymyr Medvid (Kyiv)

14:00 - 14:30	Ketosis while pregnant: reasons, consequences, correction Volodymyr Medvid (Kyiv) <i>Professor, MD, PhD, corresponding member of the NAMS of Ukraine, Head of Internal Pathology of Pregnant Women Department, O.M. Lukyanova Institute of Pediatrics, Obstetrics and Gynecology of the NAMS of Ukraine</i>
14:30-15:00	Nausea and vomiting while pregnant. Surveillance based on pathogenesis Gulsara Eshymbetova (Uzbekistan) <i>Professor, MD, PhD, Professor of Obstetrics, Gynecology and Perinatal Medicine Department, Tashkent Institute of Improvement of Doctors</i>
15:00-16:00	Possibilities for diagnosis of placental dysfunction of women with preeclampsia Akhmad Karimov (Uzbekistan) <i>Professor, MD, PhD, Professor of Obstetrics and Gynecology Department № 2, Tashkent Medical Academy</i> Dilfuza Davletova (Uzbekistan) <i>3rd year Master of Obstetrics and Gynecology Department № 2, Tashkent Medical Academy</i>

Topical Unit 4

MEDICAL EMERGENCY IN OBSTETRICS

Moderator - Prof. Yuliya Davydova (Kyiv)

16:00 - 16:30	Endothelial dysfunction and its influence on prevention, treatment and complications of critical conditions in Obstetrics Kim Yon-Din (Uzbekistan) <i>Professor, MD, PhD, Head of Anesthesiology and Resuscitation Department of the Republican Specialized Scientific-Practical Medical Center of Obstetrics and Gynecology of the MoH of Uzbekistan</i>
16:30 - 17:00	Patient Blood Management in Obstetrics Yuliya Davydova (Kyiv) <i>Professor, MD, PhD, Head of Obstetrical Problems of Extragenital Pathology Department, O.M. Lukianova Institute of Pediatrics, Obstetrics and Gynecology of the NAMS of Ukraine</i>
17:00 - 17:30	Carbohydrate balance during perioperative period Oleksandr Halushko (Kyiv) <i>Professor, MD, PhD, Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>

SECTION FOR GENERAL MEDICINE SPECIALISTS

October 12, 2020

9:30 - 10:00 Formal opening of the Congress

Topical Unit 1

NEW CAPABILITIES OF INFUSION THERAPY IN RESPONSE TO MODERN CHALLENGES: FROM THEORY TO PRACTICE

Moderator - *MD, PhD Bohdan Kondratskyi (Lviv)*

10:00 - 10:30	Rheo-STAT Project. New capabilities of toxic syndrome care from the point of view of evidence-based medicine, focus on pneumonia Dinh Thi Hoa <i>Dr., PhD, Head of Department of Respiratory Internal Medicine, 198 Hospital, Hanoi, Vietnam</i> Sophio Beridze (Georgia) <i>Professor, PhD, Head of Basic Medicine Department at Batumi Shota Rustaveli State University, Head Of Internal Medicine Direction at BAH</i>
10:30-11:00	Challenge 2020: prospective directions for COVID-19 treatment Svitlana Kovalenko (Chernivtsi) <i>Professor, MD, PhD, Professor of Internal Medicine, Clinical Pharmacy and Occupational Diseases Department, Bykovyna SMU</i>
11:00-11:30	Workshop: Iron deficiency and anemia of internal medicine patient Olena Koval (Dnipro) <i>Professor, MD, PhD, Professor of Internal Medicine Department, Dnipropetrovsk Medical Academy of the MoH of Ukraine</i> Leonid Voronkov (Kyiv) <i>Professor, MD, PhD, Head of Cardiac Insufficiency Department, M.D. Strazhesko Institute of Cardiology</i>

Topical Unit 2

PLACE OF INFUSION THERAPY IN TREATMENT OF CARDIOVASCULAR DISEASES: FOCUS ON COMORBIDE PATIENT

Moderator - *Prof. Larysa Mishchenko (Kyiv)*

11:30 - 12:00	Cerebral accident management in the current context Serhiy Moskovko (Vinnytsia) <i>Professor, MD, PhD, Head of Neurology and Neurosurgery Department, Postgraduate Education Department, M.I. Pyrohov Vinnytsia NMU</i> Olena Kyrychenko (Vinnytsia) <i>Neurologist, Assistant Lecturer of Neurology and Neurosurgery Department, Postgraduate Education Department, M.I. Pyrohov Vinnytsia NMU</i>
12:00 - 12:30	Arterial hypertension. Focus on protection of targeted organs Larysa Mishchenko (Kyiv) <i>Professor, MD, PhD, Head of Hypertensive Disease Department, M.D. Strazhesko Institute of Cardiology of the NAMS of Ukraine</i>
12:30 - 13:00	Workshop: Anxiety of comorbide patients Oleh Chaban (Kyiv) <i>Professor, MD, PhD, Head of Medical Psychology, Psychosomatic Medicine and Psychotherapy Department, O.O. Bohomolets NMU, the President of Ukraine Psychosomatic Medicine Association</i> Leonid Voronkov (Kyiv) <i>Professor, MD, PhD, Head of Cardiac Insufficiency Department, M.D. Strazhesko Institute of Cardiology</i>
13:00 - 14:00	Lunch Break
14:00 - 14:30	Pharmacology of treatment of vascular diseases with endothelium protectors Vitaliy Mamchur (Dnipro) <i>Professor, MD, PhD, Professor of Pharmacology and Clinical Pharmacology Department, Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>

Topical Unit 3

INFUSION THERAPY IN PRACTICE OF INTERNSHIP DOCTOR: COMPLICATED THINGS IN SIMPLE WORDS AND LIMITS

Moderator - *Prof. Oleksandr Halushko (Kyiv)*

14:30 - 15:00	Infusion therapy in Propaedeutics of Internal Diseases Volodymyr Cherniy (Kyiv) <i>Professor, MD, PhD, corresponding member of the National Academy of Medical Sciences of Ukraine, Leading Researcher of Minimally Invasive Surgery Scientific Department, State Scientific Institution «Scientific and Applied Center of Preventive and Clinical Medicine» of Public Administration Department</i>
15:00 - 15:30	Limits for infusion therapy in case of cardiovascular diseases Vasyl Netiazhenko (Kyiv) <i>Professor, D.habil.M.Sc., Head of Propaedeutics of Internal Diseases Department № 1, O.O. Bohomolets NMU, member of executive committee of the International Society of Internal Medicine (ISIM)</i>
15:30 - 16:00	Toxic syndrome in practice of doctor of Internal Medicine Oleksandr Halushko (Kyiv) <i>Professor, MD, PhD, Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
16:00 - 16:30	Partner's stream
16:30 - 17:45	Panel discussion «Oral or intravenous medication delivery, which to choose? Expert opinions.» Moderator: S.A.Orlyk Reporters: Prof. V.Z. Netiazhenko, Prof. L.A. Mishchenko, Prof. O.A. Halushko, Prof. O.S. Chaban; Experts: Prof. V.Y. Mamchur, MD, PhD B.A. Kondratskyi

SECTION FOR NURSES

October 12, 2020

9:30 - 10:00 Formal opening of the Congress

10:00 - 10:30	Opening of Nurses' Section Tetiana Chernyshenko (Kyiv) <i>President of the Ukrainian Nurses Association</i> Halyna Ivashko (Kyiv) <i>Vice-President of the Ukrainian Nurses Association</i>
---------------	--

Topical Unit 1

INFUSION THERAPY IN NURSE'S PRACTICE, SPECIFIC ASPECTS AND PRINCIPLES OF DELIVERY DEPENDING ON SOLUTION COMPOSITION, OSMOLARITY, PH. DIFFERENT APPROACHES IN UKRAINE AND EUROPEAN COUNTRIES

10:30 - 11:15	Complications of infusion therapy and their prevention Oleksandr Halushko (Kyiv) <i>Professor, MD, PhD, Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
11:15 - 12:00	Key principles of infusion therapy delivery. Basics of water-electrolytic balance Natalia Maliutina (Kyiv) <i>PhD, Assistant Lecturer of Family Medicine and Out-patient Treatment Department of P.L. Shupyk NMAPE</i>
12:00 - 12:45	Workshop: Cardiopulmonary resuscitation Natalia Maliutina (Kyiv) <i>PhD, Assistant Lecturer of Family Medicine and Out-patient Treatment Department of P.L. Shupyk NMAPE</i>
12:45 - 14:00	Lunch Break

Topical Unit 2

CATHETERIZATION AND MODERN APPROACHES TO DELIVERY OF INFUSION THERAPY: FROM THEORY TO PRACTICE

14:00 - 14:45	Specific aspects of short and long term delivery of infusion therapy (review of vascular access technologies from the nurse's point of view). Catheterization of subclavian veins Yevhen Hryzhymalskyi (Kyiv) <i>PhD, Assistant Lecturer of Surgery, Anesthesiology and Intensive Care Department, IPE, O.O. Bohomolets NMU, Head of Anesthesiology and Intensive Care Department of Leleka Maternity Hospital</i>
14:45 - 15:00	Workshop: Catheterization of peripheral veins Yevhen Hryzhymalskyi (Kyiv)
15:00 - 15:45	Modern approaches to infusion therapy delivery in Pediatrics and during chemotherapy. Medical devices for different types of veins. Safety of medical staff working with toxic medicines Antonina Mozharivska (Zhytomyr) <i>Assistant Lecturer of Nursing Department, Zhytomyr Medical Institute</i>
15:45 - 16:00	Workshop: Working with modern gravity systems for infusion therapy Antonina Mozharivska (Zhytomyr) <i>Assistant Lecturer of Nursing Department, Zhytomyr Medical Institute</i>
16:00 - 16:30	Coffee Break

TOPICAL UNIT 3

PANEL DISCUSSION. EXPERT OPINIONS REGARDING APPROACHES TO INFUSION THERAPY DELIVERY

16:30 - 17:15	Panel discussion. Expert opinions regarding approaches to infusion therapy delivery Ye.V. Hryzhymalskyi, A.A. Mozharivska, T.I. Chernyshenko, H.M. Ivashko
---------------	--

Topical Unit 4

PRACTICAL ASPECTS OF NURSE'S PROTECTION

17:15 - 18:00	Legal liability and risks related to delivery of infusion therapy Natalia Lisnevskaya (Kyiv) <i>Lawyer, Head of Medical Law Practice, ACTIO Law Firm</i>
---------------	---

SECTION FOR PHTHISIOLOGISTS

October 13, 2020

Topical Unit 1

Moderator - MD, PhD, Natalia Lytvynenko (Kyiv)

10:00-10:30	Principles and rational reasoning of infusion therapy in Phthisiology Tetiana Petrenko (Russia) <i>MD, PhD, Academic Secretary, Head of Applied Research Department of Novosibirsk Scientific and Research Institute of Tuberculosis of the MoH of Russian Federation, Professor of Tuberculosis Department, Faculty of Advanced Training and Professional Skills Upgrading for Doctors, Novosibirsk State Medical University</i>
10:30-11:00	Serious patients with tuberculosis: possibility to decrease death rate and to optimize treatment strategy by use of sequential therapy and antituberculosis infusion agents (review of guidelines) Natalia Lytvynenko (Kyiv) <i>MD, PhD, Head of Chemo-resistant Tuberculosis Department, Head of National Tuberculosis Training Center, National Institute of Phthisiology and Pulmonology named after F.G. Yanovskyi of the NAMS of Ukraine. National Tuberculosis Expert, member of international societies dealing with lung diseases (TB Union, ERS)</i>
11:00-11:30	Special aspects of penetration of antituberculosis agents into the center of infection of patients with CNS TB and selection of drug treatment Rovina Ruslami (Indonesia) <i>MD, PhD, Head of Pharmacology and Therapy Department, Faculty of Medicine, Padjadjaran University, Bandung, Indonesia</i>
11:30-12:00	Safety and efficiency of port catheter during delivery of intensive intravenous chemotherapy for patients with multi-drug resistant tuberculosis and extensively drug-resistant tuberculosis Yuliya Senko (Kyiv) <i>PhD, Senior Researcher of Chemo-resistant Tuberculosis Department, National Institute of Phthisiology and Pulmonology named after F.G. Yanovskyi of the NAMS of Ukraine</i>
13:00 - 14:00	Lunch Break

Topical Unit 2

TUBERCULOSIS AND CONCOMITANT SEVERE CONDITIONS

Moderator - MD, PhD, Natalia Lytvynenko (Kyiv)

14:00-14:30	Tuberculosis in the context of pandemic SARS-CoV-2 (COVID-19): what to expect and how to act? Liliya Todoriko (Chernivtsi) <i>Professor, MD, PhD, Head of Phthisiology and Pulmonology Department, Bukovyna SMU</i>
14:30-15:00	Malabsorption syndromes of patients with tuberculosis as reason for treatment failure: how to detect and to overcome? Dmytro Butov (Kharkiv) <i>MD, PhD, Professor of Phthisiology and Pulmonology Department, Kharkiv NMU</i>
Partner's stream	
15:00-15:30	Analysis of intermediate results of INVENT-1 clinical research: open randomized multicenter study of efficiency, safety and acceptability of patterns using intravenous and oral drugs during intensive phase of treatment of patients with microbiologically proven extensive destructive pulmonary tuberculosis Oleksiy Denysov (Kyiv) <i>Executive Director of INCURE, the Communicable Diseases Intensive Care Association Civic Union, Phthisiologist</i>

SECTION FOR ANESTHESIOLOGISTS AND INTENSIVISTS

October 13, 2020

Topical Unit 1

INFUSION THERAPY

Moderator - Prof. Olha Kovalenko (Kyiv)

10:00 - 10:30	Wound shock infusion therapy Volodymyr Cherniy (Kyiv) <i>Professor, MD, PhD, corresponding member of the National Academy of Medical Sciences of Ukraine, Leading Researcher of Minimally Invasive Surgery Scientific Department, State Scientific Institution «Scientific and Applied Center of Preventive and Clinical Medicine» of Public Administration Department</i>
10:30 - 11:00	Infusion therapy in case of burn sepsis Olha Kovalenko (Kyiv) <i>Professor, MD, PhD, Professor of Surgery Department № 1 of O.O. Bohomolets NMU</i>
11:00 - 11:30	Special aspects of infusion therapy for therapeutic patients during pandemic COVID-19 Oleksandr Halushko (Kyiv) <i>Professor, MD, PhD, Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>

Topical Unit 2

SELECTED PROBLEMS OF ANESTHESIOLOGY AND INTENSIVE CARE

Moderator - Prof. Oleh Kuchyn (Kyiv)

11:30-12:00	Acute ischemic stroke management in medical practice of anesthesiologist Yuriy Kobeliatskiy (Dnipro) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of the Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
12:00-12:30	Patient blood management Serhiy Dubrov (Kyiv) <i>Professor, MD, PhD, Professor of Anesthesiology and Intensive Care Department of O.O. Bohomolets NMU, the President of the Association of Anesthesiologists of Ukraine</i>
12:30-13:00	Carbohydrate metabolism disorder in critical conditions Oleksandr Halushko (Kyiv) <i>Professor, MD, PhD, Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
13:00-14:00	Lunch Break

Topical Unit 3

OBSTETRIC ANESTHESIOLOGY

Moderator - Prof. Ruslan Tkachenko (Kyiv)

14:00-14:30	Sedation in Obstetrics and Gynecology Yevhen Hryzhymalskyi (Kyiv) <i>PhD, Assistant Lecturer of Surgery, Anesthesiology and Intensive Care Department, IPE, O.O. Bohomolets NMU, Head of Anesthesiology and Intensive Care Department of Leleka Maternity Hospital</i>
14:30-15:00	Obstetric blood loss. Priorities for selection of infusion solutions Kim Yon-Din (Uzbekistan) <i>Professor, MD, PhD, Head of Anesthesiology and Resuscitation Department of the Republican Specialized Scientific-Practical Medical Center of Obstetrics and Gynecology of the MoH of Uzbekistan</i>

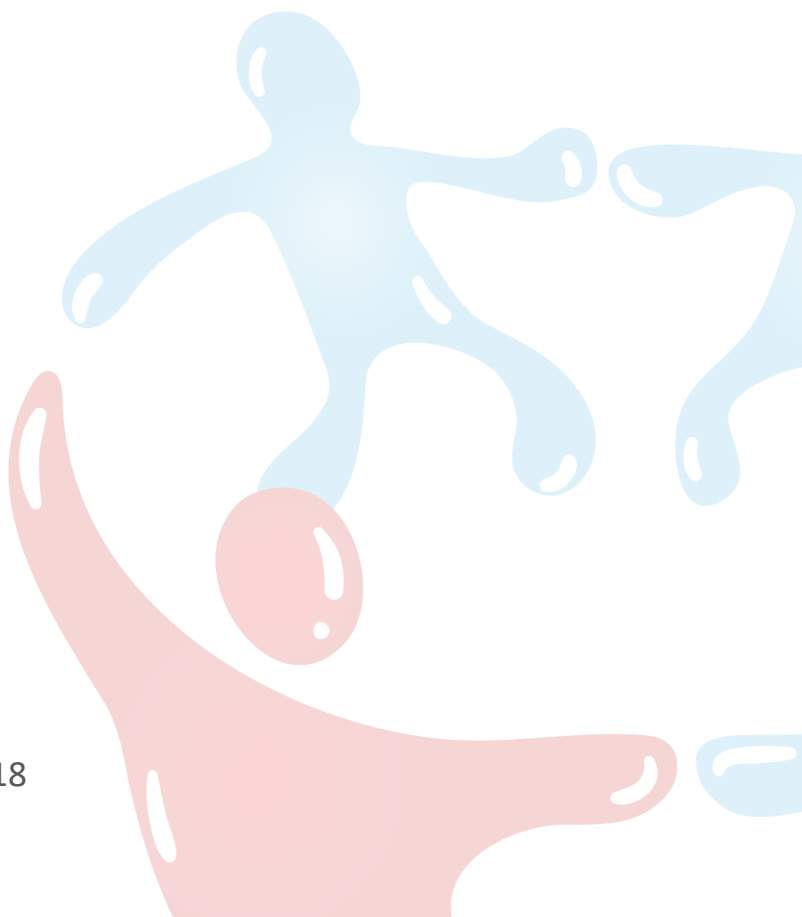

15:00-15:30	Special aspects of therapy in case of severe preeclampsia Ruslan Tkachenko (Kyiv) <i>Professor, PhD, Professor of Obstetrics, Gynecology and Reproductive Medicine Department of P.L. Shupyk NMAPE, the President of the Association of Obstetric Anesthesiologists of Ukraine</i>
15:30-15:45	Partner's stream

Topical Unit 4

ANTIBACTERIAL THERAPY

Moderator - *Prof. Oleksiy Nesterenko (Kramatorsk)*

15:45-16:30	Special aspects of antimicrobial therapy for viral and bacterial pneumonia of patients with coronaviral disease Oleksiy Nesterenko (Kramatorsk) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of Donetsk NMU</i>
16:30 -17:15	Modern approaches to antibacterial therapy in case of purulonecrotic complications of diabetes mellitus Oleksandr Halushko (Kyiv) <i>Professor, MD, PhD, Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
17:15-17:45	Infusion therapy in case of sepsis Feliks Hlumcher (Kyiv) <i>Professor, MD, PhD, corresponding member of the NAMS of Ukraine, Laureate of the State Prize of Ukraine in Science and Engineering, Honored Doctor of Ukraine</i>
17:45-18:15	Formal closure of the Congress. Adoption of resolution

SECTION FOR SURGICAL SPECIALTIES

October 13, 2020

Topical Unit 1

PYIOINFLAMMATORY DISEASES IN SURGERY

Moderator - *Prof. Mykhailo Nychytailo (Kyiv)*

10:00 - 10:30	Pleural empyema. Point of view of thoracic surgeon Vitaliy Sokolov (Kyiv) <i>PhD, Head of Adult Thoracic Surgery Department of Kyiv Municipal Clinical Hospital №17</i>
10:30-11:00	Abdominal sepsis Mykhailo Nychytailo (Kyiv) <i>Professor, MD, PhD, Leading Researcher of Laparoscopic Surgery and Cholelithiasis Department of the O.O. Shalimov National Institute of Surgery and Transplantation, honorary member of Global Surgical Society</i>
11:00-11:30	Acute purulent extended peritonitis: conceptual aspects of modern surgical strategy Viktor Andriushchenko (Lviv) <i>Professor, MD, PhD, Head of General Surgery Department of Danylo Halytskyi Lviv NMU</i>
11:30-12:00	Mistakes and dangers in laparoscopic surgery Volodymyr Hrubnyk (Odesa) <i>Professor, MD, PhD, Head of Department № 1 of Odesa NMU</i>

Topical Unit 2

GASTROINTESTINAL BLEEDING

Moderator - *Prof. Yaroslav Feleshtynskyi (Kyiv)*

12:00 -13:00	Tranexamic acid for upper gastrointestinal bleeding Christian Fenger-Eriksen (Denmark) <i>Prof., MD, PhD, Department of Anaesthesiology Aarhus Universityhospital</i>
13:00-14:00	Lunch Break

Topical Unit 3

WOUNDS

Moderator - *Prof. Olha Kovalenko (Kyiv)*

14:00-14:45	Modern approach to treatment of burn wounds Olha Kovalenko (Kyiv) <i>Professor, MD, PhD, Professor of Surgery Department № 1 of O.O. Bohomolets NMU</i>
14:45-15:30	Diabetic foot. Care of diabetic ulcer Svitlana Bolharska (Kyiv) <i>PhD, Deputy Medical Director in Endocrinology of Dobrobut Medical Network</i>
15:30-16:00	Treatment of trophic ulcers of the lower extremities Viktor Cherniak (Kyiv) <i>Professor, MD, PhD, Head of Operative Surgery and Topographic Anatomy Department of O.O. Bohomolets NMU</i>
16:00-16:30	Partner's stream

16:30-17:45	Panel discussion «Patient in focus. Which to choose: protocol therapy vs personification. Expert opinions.» Moderator: S.A. Orlyk Reporters «for» protocol therapy: Prof. S.O. Dubrov, Prof. L.K. Sokolova Reporters «for» personification: Prof. S.P. Moskovko, Prof. L.A. Mishchenko, O.V. Herasymenko Discussion: O.S. Chaban, T.A. Bebeshko
17:45-18:15	Formal closure of the Congress. Adoption of resolution

SECTION FOR OBSTETRICIAN-GYNECOLOGISTS

October 13, 2020

Topical Unit 1

WOMAN AND HER FUTURE - CHILDREN: HOW TO ENSURE PHYSIOLOGICAL DELIVERY?

Moderator - Prof. Ruslan Tkachenko (Kyiv)

10:00 - 10:30	Modern pain management in Obstetrics as a part of «safe anesthesia» concept Ruslan Tkachenko (Kyiv) <i>Professor, MD, PhD, Professor of Obstetrics, Gynecology and Reproductive Medicine Department of P.L. Shupyk NMAPE</i>
10:30 - 11:00	Premature ruptured membranes in case of incomplete pregnancy. What's new in management and delivery? Serhiy Chechuha (Vinnytsia) <i>MD, PhD, Professor of Obstetrics and Gynecology Department № 2 of M.I. Pyrohov Vinnytsia NMU, Medical Director of Vinnytsia Municipal Clinical Hospital, Maternal and Child Health Center</i>
11:00 - 11:30	Attention to details.... Childbirth without stress and aggression Svitlana Zhuk (Kyiv) <i>Professor, MD, PhD, Head of Obstetrics, Gynecology and Maternal-Fetal Medicine Department, P.L. Shupyk NMAPE</i>

Topical Unit 2

MICROVASCULATURE: USE OF RESOURCES IN OBSTETRICS AND GYNECOLOGY

Moderator - Prof. Olena Nosenko (Odesa)

11:30 - 12:00	«Reach out to cells» - microcirculatory support Alisa Lymanska (Kyiv) <i>PhD, Leading Researcher of O.M. Lukyanova Institute of Pediatrics, Obstetrics and Gynecology of the NAMS of Ukraine</i>
12:00 - 12:30	Endothelial protection of microvasculature in Obstetrics Olena Nosenko (Odesa) <i>Professor, MD, PhD, Professor of Obstetrics and Gynecology Department № 1, Odesa NMU of the MoH of Ukraine</i>
12:30 - 13:00	Abnormal uterine bleeding: role of office hysteroscopy Mykhailo Medvediev (Dnipro) <i>MD, PhD, Professor of Obstetrics and Gynecology Department, Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
13:00 - 14:00	Lunch Break

Topical Unit 3

ANTIBIOTIC EFFICIENCY IN RESPONSE TO RESISTANCE

Moderator - Prof. Olha Hryshchenko (Kharkiv)

14:00 - 14:30	Pathogenetic influence of antibiotic resistance to reproductive health of a woman Olha Hryshchenko (Kharkiv) <i>Professor, MD, PhD, Head of Perinatology, Obstetrics and Gynecology Department, KhMAPE</i>
---------------	---

14:30 - 15:00	PID: clinical aspects of care and early rehabilitation of reproductive health Valentyn Potapov (Dnipro) <i>Professor, MD, PhD, Head of Obstetrics and Gynecology Department, Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
15:00 - 15:30	Urgent issues related to management of female patients with pelvic inflammatory diseases Ihor Lakhno (Kharkiv) <i>MD, PhD, Professor of Perinatology, Obstetrics and Gynecology Department, KhMAPE</i>
15:30 - 16:00	Partner's Unit - drawing of prizes

Topical Unit 4

CONTROVERSIAL GYNECOLOGICAL CONDITIONS: URGENT CLINICAL ISSUES

Moderator - *Prof. Tetiana Tatarchuk (Kyiv)*

16:00 - 16:30	Pain syndrome in endometriosis. Comprehensive approach to problem solution Tetiana Tatarchuk (Kyiv) <i>Professor, MD, PhD, Deputy Director of O.M. Lukyanova Institute of Pediatrics, Obstetrics and Gynecology of the NAMS of Ukraine</i>
16:30 - 17:00	Colposcopic assessment of standards for pregnant women Natalia Lihirda (Kyiv) <i>PhD, Senior Researcher of Gynecological Oncology Scientific and Research Department of the National Institute of Cancer</i>
17:00 - 17:30	Hopeful ways of treatment of hopeless myomas Olena Manzhura (Kyiv) <i>Associate Professor, PhD, Head of Gynecological Oncology Department, Kyiv City Clinical Oncology Center, Assistant Lecturer of Oncology Department of O.O. Bohomolets NMU</i>
17:45 - 18:15	Formal closure of the Congress. Adoption of resolution

SECTION FOR GENERAL MEDICINE SPECIALISTS

October 13, 2020

Topical Unit 1

PLACE OF INFUSION THERAPY IN TREATMENT OF CARDIOVASCULAR DISEASES: FOCUS ON COMORBIDE PATIENT

Moderator - *Prof. Oleksandr Kuriata (Dnipro)*

10:00 - 10:20	6 months after the beginning of primary and secondary healthcare reforming, how is it going? Larysa Matiukha (Kyiv) <i>Professor, MD, PhD, Head of Family Medicine and Out-patient Treatment Department, P.L. Shupyk NMAPE</i>
10:20 - 10:50	Management of cardiological patient with comorbidity: promising opportunities for correction of endothelium dysfunction Oleksandr Kuriata (Dnipro) <i>Professor, MD, PhD, Head of Internal Medicine and Phthisiology Department #2, Dnipropetrovsk Medical Academy of the MoH of Ukraine</i> Mariya Hrechanyk (Dnipro) <i>Assistant Lecturer of Internal Medicine and Phthisiology Department #2, Dnipropetrovsk Medical Academy of the MoH of Ukraine</i>
10:50 - 11:20	Cardiovascular events are killer №1. Pharmacotherapy of coronary heart disease Valentyn Shumakov (Kyiv) <i>Professor, MD, PhD, Head of Myocardial Infarction and Rehabilitation Department, M.D. Strazhesko Institute of Cardiology</i>

Topical Unit 2

COVID 19: PROMISING TRENDS OF CARE

Moderator - *Prof. Oleh Loskutov (Kyiv)*

11:20 - 11:45	Experience of management of patients with diseases caused by COVID-19. Focus on pneumonia Larysa Moroz (Vinnytsia) <i>Professor, MD, PhD, Head of Infectious Diseases Department, M.I. Pyrohov Vinnytsia NMU</i>
11:45 - 12:10	Protection of organs of patients with COVID-19 Viktor Tashchuk (Chernivtsi) <i>Professor, MD, PhD, Head of Internal Medicine, Physical Rehabilitation and Sports Medicine Department, Bukovyna State Medical University</i>
12:10 - 12:35	Neuroinvasion and neurological complications in case of COVID-19 Oleh Loskutov (Kyiv) <i>Professor, MD, PhD, Head of Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
12:35 - 13:00	Pathogeneticsyndromic management of patient with COVID-19 Eduard Khodosh (Kharkiv) <i>MD, PhD, Associate Professor of KhMAPE, Head of Pulmonology Department of Kharkiv Specialized Hospital</i>
13:00 - 14:00	Lunch Break

Topical Unit 3

Moderator - *Prof. Liubov Sokolova (Kyiv)*

14:00 - 14:30	Microcirculation disorders of comorbide patient Liubov Sokolova (Kyiv) <i>MD, PhD, Head of Clinical Diabetology Department, V.P. Komisarenko Institute of Endocrinology and Metabolism of the NAMS of Ukraine</i>
14:30 - 15:00	Microcirculation as a correction target in case of macrovascular disease (atherogenesis) Oleh Dynnyk (Kyiv) <i>PhD, Expert in Multimetric Ultrasonic Diagnosis, Elastography, Steatometry and Doppler</i>
15:00 - 15:30	Dorsopathy: management of back pain Maryna Trishchynska (Kyiv) <i>Professor, MD, PhD, Associate Professor of Neurology Department № 1, P.L. Shupyk NMAPE</i>
15:30 - 16:00	Unique possibilities for correction of carbohydrate metabolism disorders Oleksandr Halushko (Kyiv) <i>Professor, MD, PhD, Professor of the Anesthesiology and Intensive Care Department of P.L. Shupyk NMAPE</i>
16:00 - 16:30	Partner's stream
16:30 - 17:45	Panel discussion «Patient in focus. Which to choose: protocol therapy vs personification. Expert opinions.» Moderator: S.A. Orlyk Reporters "for" protocol therapy: Prof. S.O. Dubrov, Prof. L.K. Sokolova Reporters "for" personification: Prof. S.P. Moskovko, Prof. L.A. Mishchenko, O.V. Herasymenko Discussion: O.S. Chaban, T.A. Bebashko
17:45 - 18:15	Formal closure of the Congress. Adoption of resolution

SECTION FOR NURSES

October 13, 2020

9:30 - 10:15	Evolution of medical devices for protection of medical staff. Prevention of bloodborne infections of patients of indeterminate HIV status Andriy Harha (Kyiv) <i>Assistant Lecturer of Surgery, Anesthesiology and Intensive Care Department, IPE, O.O. Bohomolets NMU, Anesthesiologist, Leleka Maternity Hospital</i>
10:15 - 11:00	Medical waste. Governmental sanitary and antiepidemic rules and standards for medical waste treatment Oksana Tsyhanchuk (Kyiv) <i>Epidemiologist, Director of Care for doctors LLC, Researcher of L.V. Hromashevskyi Institute of Epidemiology and Infectious Diseases of the NAMS of Ukraine</i>
11:00 - 11:45	Medical secrecy—rights and obligations of participants in the process of provision of health care Natalia Lisnevskaya (Kyiv) <i>Lawyer, Head of Medical Law Practice, ACTIO Law Firm</i>

Topical Unit

PATIENT CARE IN THE INTERNAL MEDICINE AND SURGERY DEPARTMENT. PREVENTION AND CURING OF INFUSION THERAPY COMPLICATIONS

11:45 - 13:00	Principal complications during infusion therapy delivery and how to cure them Yevhen Hryzhymalskyi (Kyiv) <i>PhD, Assistant Lecturer of Surgery, Anesthesiology and Intensive Care Department, IPE, O.O. Bohomolets NMU, Head of Anesthesiology and Intensive Care Department of Leleka Maternity Hospital</i>
13:00 - 14:00	Lunch Break
14:00 - 14:45	Intensive care medicine for children, emergency cases in Pediatrics. Different infusion methods for children Thomas Erler (Germany) <i>Professor, MD, PhD, Medical Director and Chief Medical Officer of Child and Adolescent Clinic, West-Brandenburg Clinic, Potsdam</i>
14:45 - 15:30	Patient care after surgery. Suture care after surgery, wound care (Gorosten + adhesive surgical dressing) Olha Kovalenko (Kyiv) <i>Профессор, д.мед.н., профессор кафедры хирургии №1 НМУ им. А.А. Богомольца, член Европейской ожоговой ассоциации и Европейской ассоциации специалистов по лечению ран</i>
15:30 - 16:00	Specific aspect of care of patients with coronaviral infection. Important issues of medical staff safety Adriana Savych (Ivano-Frankivsk) <i>Head Nurse of Regional Infectious Diseases Hospital in Zakarpattia Region; Chairperson of Association of Nurses in Zakarpattia; Expert in "Nursery" of Health Care Department of Zakarpattia Region Administration</i>
16:00 - 16:30	Coffee Break
16:30 - 17:25	Care of serious patients through the example of patient with the most severe burns Olha Kovalenko (Kyiv) <i>Professor, MD, PhD, Professor of Surgery Department № 1 of O.O. Bohomolets NMU, member of the European Burns Association and the European Association of Fellows in Wound Healing</i>
17:45 - 18:15	Formal closure of the Congress
